

1st Portfolio Wealth Advisors Presents:

Wealth Management for Women: Taking Control of Your Financial Future

Please join us at Evo Bistro for a 1st Portfolio Wealth Advisors sponsored Seminar with Eleanor Blayney, CFP® author of *Women's Worth, Finding Your Financial Confidence*. Eleanor breaks through the traditionally male-dominated field of financial advice to offer information you - as a woman - can really use. Her frank approach intersperses practical advice with easy-to-do exercises that will help understand your beliefs about money, learn the fundamentals of financial planning, and gain confidence in your financial know-how.

Wine and tapas reception
at 6:30PM.

Seminar begins at 7:00PM

Space is limited!

Please RSVP by June 4 to
703.821.5554 or

**Monday, June 7
6:30 – 8:30pm**

Eleanor has worked with individual clients for over twenty years to help them articulate and plan for their financial goals. As the only woman partner in a four-partner firm, Eleanor drew upon her female intuition, communication strengths, and facility for sustaining relationships to help build a wealth management firm that has served hundreds of clients in the Washington DC metro area and around the country.
